

Lesson 1

THE CREATOR GOD

Bible portion : Genesis. Chs 1&2

Memory Verse : Gen. 1:27

Objective : Know that God is the creator of all and glorify Him

Teaching Aids : Pictures of the sun the moon and the stars shining over the earth.

A big beautiful garden. In it there is a man (Adam) and a woman (Eve). Also different sized animals such as lion, elephant, ox, giraffe, etc. and birds such as peacock, parrot, crow, chicken, kite and creeping animals namely snake, lizard, chameleon., as well as fruit, trees, shrubs, meadows and different kinds of fishes.

Introduction : Go outside the class-room in the open and bring to the attention of children the sun, the earth, birds, animals, shrubs and grass etc. Ask the children's names, age, and about parents. Tell them that you are now four of five years old- do you know how and when did the sun, the earth, and man came into being? Who created? Try to increase their curiosity and tell them that we shall learn today is who created all these and how?
