

Lesson - 16

MANNA

Bible portion : Exodus chap: 16

Memory Verse : John: 6:51

Objective : God is able to provide everything that his people need.

Teaching Aids : Pictures of:

Bible. Map of Bible lands. Pictures of the children of Israel gathering Manna, coriander, honey, cake (dosa)

Introduction : What are the food items that you normally eat? Rice, wheat etc. How do we produce food items? Have you ever heard of desert? Cultivation is not possible in desert. Let us study how God provided the children of Israel with food while they were in journey through a desert.
