

**Lesson 2**  
**EXISTENCE OF GOD**  
**Evidences**

**Bible Portion:**

Isai. 40:12-31.

**Memory Verse:** Isai.40:28-29.

**Theme:**

To make the student convinced of the evidences for the existence of God and to enable him to convince others.

**Lesson:**

Introduction – The order in the universe – structure of our body – the complexity and existence of earth

The conscience of man – The first cause – The first movement – the gradation argument – Unusual occurrences and experiences – Arguments against the theory of Evolution.

**Questions:**

1. Prove that the order in the universe is an evidence for the existence of God.
2. Explain the principles of the "First cause".
3. Explain the principles of the "First movement"
4. Explain the gradation argument.
5. How does the conscience of man establish the existence of God?
