

Lesson - 25

THE DISOBEDIENT PROPHET

Bible portion : Jonah Chs. 1-4

Memory Verse : Psalms 119 : 10

Objective : God will punish us if we do not obey his commands

Teaching Aids : Pictures of:

Vast ocean, ship sailing with full of passengers, on the way tempest arises and ship is going to sink; passengers are frightened; Jonah is thrown into the sea and a whale swallows him; Jonah preaches.

Introduction : When you are not seen around; your parents shall call you. How many of you respond calmly? Likewise, do you obey if anything is said to you? There are people who are called, would pretend that they did not hear; and would not like to do anything if said. Similarly, there are children who are told to go to a particular place and get something done, they would go to play with their friends. Not only children but also grown up people do the same thing. Once a certain man, known to be the prophet of God, disobeyed him. Let us study about it today.
